Boots to Business Module 1

Introduction to Business Ownership

Version 5.1

ASSOCIATION OF
WOMEN'S BUSINESS CENTERS

MISSISSIPPI STATE
UNIVERSITY

The Boots to Business entrepreneurship training program is provided through the coordinated efforts of the SBA and its valued partner network.
All SBA services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance.

Objective

Provide an overview of the entrepreneurial process, what it means to be an entrepreneur, the opportunities and challenges and military skills and attributes that transfer over to entrepreneurship.

About Boots to Business

- Boots to Business (B2B) is an introduction to entrepreneurship course presented by the SBA and its partners
- This course will:
 - Give you an overview of what it takes to start a small business
 - Introduce you to SBA and partner resources that can assist you with your starting or growing your business
 - Introduce you to B2B follow-on courses

Starting a company is like...

Paths to Business Ownership

Paths to Business Ownership

Paths to Business Ownership

Generally, new business ownership takes one of the following forms:

New Business Creation

- Non-Profit/Social Ventures

Purchase an Existing Business

Employee-to-Ownership

Family Business (Succession)

Franchising

Paths to Business Ownership

- **New Business Creation:**
 - Your Own Idea
 - Higher Risk-Higher Reward
 - Greatest Control
 - Business processes and infrastructure must be created
 - Lifestyle Implications:
 - Married to the Business
 - May be difficult to fund

Paths to Business Ownership

- **Purchase of an Existing Business:**
 - Do Your Research!
 - Inherit the Good and the Bad
 - Brand, Customers, and Reputation
 - Established Processes & Relationships
 - Negotiate the Purchase Method to Reduce Risk
 - Get Good Advisors

Paths to Business Ownership

- **Family Business:**
 - Family History Intersects Business History
 - Change Can Be Difficult to Implement
 - Relationships Can Be Strained
 - The “Burden” is More Than the Business

Paths to Business Ownership

- **Employee-to-Ownership:**
 - Lower Personal Risk
 - Great Way to Learn the Industry
 - Rewards of Business Ownership Delayed
 - Less Control, Limited Autonomy

Paths to Business Ownership

- **Franchising:**
 - According to the International Franchise Association (IFA), franchising is defined as an agreement or license between two legally independent parties which gives: A person or group of people (the franchisee) the right to market a product or service using the trademark or trade name of another business (the franchisor).

Paths: Franchising

Advantages

- Proven Business Model
- Recognized Brand
- A Team
- Training available
- Group advertising power
- Economies of scale
- Accounting/Management/Marketing support
- Lower risk than new business

Disadvantages

- Franchise fee
- Royalties due
- Business/Selling restrictions
- Rogue franchisees
- In some cases, supplies only available from franchisor
- Regional disconnect
- Lower level of control

Paths: Franchising
